Juror: Michael Holter

AWS, NWS, AIS, TWSA, SWS

Michael Holter is an award-winning artist who works in watercolor and oil whose paintings can be found in private and corporate collections in the US and several foreign countries.

Michael says, "My work is impressionistic. I like to represent people or places and allow the painting to evolve from the structure of what is recognizable. The challenge is to balance the care needed to make the representation interesting... and perhaps believable, with the freedom, looseness and painterly quality that makes painting so unique and expressive."

"I have been influenced by artists such as Charles Reid, Richard Schmid, Burt Silverman, Frank Webb, John Singer Sargent, Ted Nuttall and many others. Even though I have an art degree, most of what I put into practice is self-taught through studying the work of these distinguished artists and much painting."
