

**2012 SOCIETY OF WATERCOLOR ARTISTS  
JURIED MEMBERSHIP EXHIBITION**

**5 AUGUST-8 SEPTEMBER • UNIVERSITY OF NORTH TEXAS  
HEALTH SCIENCE CENTER, ATRIUM GALLERY, FORT WORTH, TEXAS**

**BEST OF SHOW: "WHITE MULE"**

**BY RANDY MEADOR**

This exhibit is my fifth SWA show to help plan. Each is special by its own right and each is a spectacular display of workmanship and talent. SWA regularly hosts two annual exhibits yearly--an International Exhibit which draws work from all over the world and a Membership Exhibit featuring the work of our own members near and far. This year we had a third show that shared space with the travelling NWS show to recognize and thank our volunteers. (I hope to repeat the Volunteer Exhibition each year.) As for me, I feel like clicking my red-sequined shoes as I say, "There's no place like home!" Truly the membership show is a collection of myriad subject matter and techniques, all showing incredible execution. Fort Worth should be proud of SWA. Not only is it Tarrant County's only art association focused entirely on water media but the majority of our artists have grown their talent in this city. I applaud the efforts of the volunteers working to produce a show of this caliber and thank UNTHSC for hosting us yet again on the Fort Worth Cultural Arts District Gallery Walk. Darla Bostick, President

Seeing all the beautiful art that went into the show, and meeting and working with Juror Darnell Jones, made this one of my favorite shows to be a part of. As usual, SWA's amazing artists have created a lovely and exciting show, and all of those who entered and were selected--not just those who won awards--in fact, everyone who entered, should be very proud of yourselves and your work. Congratulations to you all! Mary Stitt, Exhibit Chair

I feel complimented to to be asked to select your 2012 show. Thank you and congratulations to all that entered. You had such a diverse selection of styles and subjects. It was a pleasure to see them! I considered: Craftsmanship, Design Quality, Expressiveness, Originality.

I encourage each of you to be aware that the selections and awards were determined by comparisons made to the other entries. If your painting didn't get accepted, or win an award in this show, it may very well have success in another show. I would love to have had more awards to give!

Once again, thank you.  
Darnell Jones, Juror
